Monthly Activity Report July 2024

Service Highlights

The Library received a grant through the Library Foundation to fund two large projects to expand wireless access throughout Wichita. The grant will fund nine solar benches that provide wireless access in areas of Wichita needing access. It will also fund adding outdoor access points providing wireless access in the parking lots of all locations. The ADOPT grant was for \$289,270.

Nearly 50 people attended the Rockwell Branch groundbreaking ceremony on July 18. Mayor Wu and Council Member Tuttle, along with Jaime Nix, gave a few remarks about the remodeling project before moving dirt to kick off construction.

The Experience Passes offered by the Library have been an effective way to democratize experiences without regard to income. A customer recently returned a pass to Tanganyika Wildlife Park. She was thrilled at the experience and said she always wanted to take her kids but could not afford it. Currently, a single day pass to Tanganyika is \$45 with price increases expected to happen soon.

Here are some photos from the fun programs we held during the Summer Reading Program:

The Summer Reading Program was a success this year! Notably, this year 55% of all teen readers completed the program, which is more than 10 percentage points better than last year. Here are some current statistics, with an additional update coming later:

- Pre-readers: 1,463 enrolled / 695 finished
- Kids Read: 2,826 enrolled / 1,242 finished
- Teens Read: 1,350 enrolled / 754 finished
- Adult Program: 1,109 enrolled / 325 finished

Other News

The Book Bus participated in the Kansas Literacy Festival at Bradley Fair in July. More than 200 people of all ages boarded the bus and enjoyed the air conditioning and bean bag chairs while selecting books to borrow or keep (provided by a donation from the Friends of the Library).

The Library is operating as expected after the May cyber event. Digital Services and IT were able to resolve issues with the last major system impacted by the event. Some staff use a version of Polaris called Leap, to access customer accounts using a standard web browser. The complexity in allowing non-City access to a City database created a challenge given new security protocols put in place after the cyber event. While the Library resumed normal operations in June, there were some elements of Leap that were still not working. Staff working with the Networking team to deploy various methods to create new connections to allow for full access while maintaining security. That work was completed in July and all Library services are back to normal.

Tech trainers taught 14 tech classes in July at the Advanced Learning Library and the Walters Branch with 125 students in attendance. Five additional classes were held at The Treehouse, a support organization for mothers, with 47 women attending those classes. There are now 131 customers certified to 3D print, 67 customers are certified to print on the Prusa, 35 customers are certified on the MakerBot, and 29 customers are certified to print on both. As of the end of July, there are 572 people who have taken 3D Printing Basics, 188 students who have taken the MakerBot Processes class, and 282 customers have taken the Prusa Processes class.

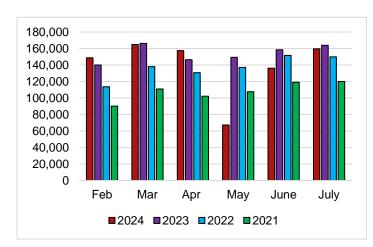

There were 311 Book-A-Librarian customers assisted with tech help in July at the Advanced Learning Library. Tech trainer Zach spent several hours with customers helping them deal with Apple gift card scams.

Several customers remarked about the amount of money they have saved by using the Library, referring to the running tally of savings on their checkout receipts. One customer said that without the library she would be able to afford to read books. Her savings since she started using her library card totaled more than \$60,000.

Adult Literacy Manager interviews were completed in July. Steven Kelly was offered and accepted the position. He is currently an Assistant Branch Manager at the Mid-Continent Public Library in Missouri. He has a wide range of library experience, including adult programming. Before working in libraries, he taught writing and literature courses at Kansas State University.

Kelly (Adult Literacies) provided market analysis and business plan samples for six prospective small business owners in the Wichita area.

Service Snapshot: Recent Raving Fans Stories

A Westlink Branch customer mentioned that she recently checked out a radon detector to test the levels in her home. She discovered that she had high levels in her home and worked on getting it remediated. She borrowed a detector once more to make sure the situation had been properly handled. She was appreciative of this service.

Michael (Circulation Library Assistant) helped a customer who has had difficulty communicating with city employees in the past. The customer said he was a Gulf War veteran with PTSD living outside of his car. He presented several tattered letters from the state set off program and explained the timeline of his tax filings as well as other difficulties he was having. Michael realized he needed to let the customer fully explain his situation before trying to find solutions. The customer needed some basic information on his account and whether his tax withholdings were ever applied to library debt. Michael provided him with the information he needed and gave the customer his login credentials to access the computer. He also suggested that due to the extreme heat, the customer should feel free to use library facilities regardless of his borrowing privileges. The customer was thankful and quite emotional and said it was the nicest anyone has been to him in a long time.

Tech Trainer Misti received a call from a patron needing a recipe found in a current issue of People magazine. She looked on the Magazine shelf, but was unable to find the correct issue. By going to People magazine's website, she figured out the chef who created the recipe. She found the recipe on the chef's website. The patron was overjoyed!

Pamela (Angelou Branch) helped an out-of-state customer get a library card for computer and Wi-Fi access. The customer asked about recommendations for learning to use a computer after not having kept up with new technologies. Pamela told her most public libraries offer tech classes, and she looked up the local library in the customer's town to verify that they also offer similar classes that she could access when she returns home.

A Westlink customer asked Eileen (Westlink Branch) if there was a way to find a rating for books like there is for movies. She was tired of getting popular books with offensive language. Eileen found a few websites that have book content ratings or warnings. The customer said: "Eileen, thank you so much for your help! The library and people are my treasure trove!"

A young customer wearing a fabulous mermaid dress came to the Westlink Branch children's room upset because her mermaid book had to be returned. Although staff found some other mermaid books for her to borrow, they weren't as awesome as the one she had just returned. Wanting everyone to leave the library with a smile, Eileen (Westlink Branch) went to the outside book drop and got the book for her to renew. After recovering the book, the little girl was so happy she hugged the book.

Jacob (Circulation) made raving fans out of an out-of-town family he made feel welcome while registering them for library cards. He highlighted various services, and the family was particularly thrilled to discover Libby. They were eager for their children to start using it.

WICHITA PUBLIC LIBRARY

Minutes of a Meeting of the Library Board of Directors July 16, 2024.

The hybrid meeting of the Library Board of Directors was held on Tuesday June 18, 2024 at the Advanced Learning Library with the following present in person: Ms. Lauren Hirsh, Ms. TaDonne Neal, Mr. Kurt Oswald, Mr. Chuck Schmidt, Ms. Karyn Shorter, Ms. Robin Templin, Ms. Susie Ternes, and Mr. Jonathan Winkler. The following attended virtually: Ms. Rose Mary Frame.

Call to Order

Lauren Hirsh called the meeting to order at 12:02 p.m., a quorum being present.

Public Comment

Residents Jessica and Julian Pereira addressed the board concerning three books that discuss gender identity and are shelved in the children's area at the Advanced Learning Library. They requested that these be withdrawn from the collection. Director Nix pointed them to the Library's policy manual and described key features of the process by which residents may request a title be reconsidered.

Jonathan Winkler arrived.

Approval of the Agenda

Chuck Schmidt moved (Shorter) to approve the agenda as published. Motion carried unanimously.

Staff Presentation

Director Nix summarized progress on the yearly work plan and outlined upcoming training for board members.

Library staff has worked on the Master Plan, updates to mission, vision, and values, development of a strategic direction, and providing more outreach services through Little Free Libraries, story walks, and the launch of the book bus. Current work focuses on development of more digital services, renovations and construction at multiple branches, strategic services and program assessments, and creation of a customer experience model. Future endeavors will center on developing a more robust volunteer program, building more out of library connections, extending solar panel use and electric vehicle charging stations, repurposing the use of the ALL café space, increasing advocacy and civic engagement, and developing three-year goals focused on improved kindergarten readiness and connecting with community members who are not confident in reading.

Director Nix reviewed training topics that will be presented at upcoming board meetings. She highlighted the August meeting specifically, as a representative from the Finance Department will describe the City of Wichita's budget process and the effects it has on the library's fiscal planning. Library staff also plans a quarterly retreat to provide a more in-depth exploration of board members' responsibilities and duties as a body corporate.

Operations Committee Report

Jonathan Winkler reported that library staff, which has been challenged to modify staffing capacities across the department to anticipate growth in library business, wishes to bring forward a managed call center for incoming routine calls. After examining the results of an industry scan of how urban public libraries manage incoming phone service, staff investigated the concept of a customer contact center for entry-level calls. These would be handled in accord with library policies, culture, and relationship expectations. Research shows that libraries have successfully used such centers since at least 2010 as a method to augment staff capacity. Any funds to pursue this service change would be provided through annual grants.

On behalf of the Operations Committee, Jonathan Winkler moved to further explore the call center management model as proposed by staff. **Motion carried unanimously.**

Planning & Facilities Committee Report

Director Nix reported that after a review of the branch remodel plan with City Finance and the City Manager, the budget has received an additional \$2.1 million from the City's CIP funds. Construction at Westlink should finish by December, allowing it to reopen by January with a dedication ceremony in early February. Groundbreaking for the Rockwell remodel will take place on Thursday July 18. As this location will need to close for six months to accommodate interior refurbishment, hours will be extended at Angelou for the duration. It will then close for its own remodeling once Rockwell reopens.

Public Affairs Committee Report

Kurt Oswald reported that library staff recently met with USD 259, the Wichita Public Library Foundation, the City of Wichita, and multiple local media outlets to brainstorm ways in which the library could enhance the effectiveness of its public relations. Many ideas have been harvested for possible incorporation into the Library's customer experience model.

Special Committee Reports

<u>Friends of the Library</u> – Amanda Shankle reported that new members have joined the Friends board. The organization plans a board retreat and continues to develop a role description and tiers for library advocates.

<u>*Library Foundation*</u> - Kourtney Carson reported that the Foundation continues to focus on fundraising for the capital campaign and redesigning the Foundation website.

<u>Wichita Genealogical Society (WGS)</u> – Vicki Everett reported that the organization is now planning its annual conference, which it will hold in October. Though membership currently sits at 162, only approximately 40 people attended the most recent meeting. Work is being done to identify ways to increase attendance.

Director of Libraries Report

Director Nix reported that she will be emailing videos to board members that were taped in 2023 and give an idea of the diversity of staff responsibilities across the Library. Tours of the construction at Westlink are being arranged for late July into early August.

INTEROFFICE MEMORANDUM

TO:	Library Board of Directors
FROM:	Jaime Nix, Director of Libraries
SUBJECT:	OCLC/WorldShare Interlibrary Loan Subscriptions
DATE:	August 15, 2024

Background: Wichita Public Library contracts with OCLC to provide cataloging records for all cataloged holdings, access to 10,000 library catalogs across the nation to aid in the provision of Interlibrary Loan service, and CONTENTdm access to host library digital collections, such as the COVID-19 oral history interviews and local photographs. This automation service has provided improved efficiencies and accuracies and is industry standards. In 2022, CONTENTdm was paid for as a separate subscription fee from the general fund collection budget, and the library increased the subscription collection storage in anticipation of increased digital items. In 2023, OCLC changed its invoicing from monthly to annually.

<u>Analysis:</u> The library continues to purchase physical and electronic items and to deliver both lending and borrowing from other library institutions. In 2023, 1,601,438 items circulated and relied on the cataloging data to make it possible. Over 7,000 Wichita owned items were borrowed by other libraries and 4,700 items were sent to fill Wichita readers' requests. CONTENTdm had 229 users in 2023 and the inventory continues to grow and become discoverable by online visitors.

Financial Considerations: The annual subscription for July 1, 2024 – June 30, 2025. Cataloging and Metadata Subscription is \$72,635.71, an increase of \$2,625.39 from the previous year. The WorldShare ILL Subscription is \$2,916.85, an increase of \$629.11 from the previous year. The subscription for CONTENTdm is \$8,807.23. The total OCLC invoice is \$84,359.79.

Legal Considerations: No legal consideration.

<u>Recommendations/Actions</u>: It is recommended that the Board approve the renewal of \$84,359.79 for OCLC Cataloging and Metadata, WorldShare Interlibrary Loan, and CONTENTdm subscriptions for July 1,2024 – June 30, 2025.

The Wichita Public Library offers programs and events in its meeting rooms and makes these spaces available to the public. Meeting rooms are available to rent; however, priority for meeting room use is given to the Library and Library-sponsored organizations.

Granting permission to use facilities does not constitute an endorsement by the Library.

Meeting rooms are available to any group or individual, within the fee schedule established by the Library Board of Directors, with the following exceptions:

- 1. Groups or individuals whose intent is to use the room for retail sales or monetary gain, which includes the receipt or solicitation of contribution, donations, or attendees' personal information for future sales or solicitations. The Library Director may make exceptions for Library-related events.
- 2. Groups or individuals whose purpose is illegal.
- 3. Groups or individuals whose conduct would interfere with the proper functioning of Library business.
- 4. At the Advanced Learning Library, use of some meeting spaces is restricted to activities aligned with the special purposes of the rooms and/or the pavilions in which the rooms exist. These include the Dondlinger Children's Gallery and Children's Theatre within the Children's Pavilion, the Hyde Conference Room within the Burns Historical Research Pavilion, the Evergy Technology Training Center within the Digital Pavilion and the Eakins TEC-Novation Room.

Persons attending the meeting are subject to all Library rules and regulations. The Director of Libraries is authorized to deny further use of the meeting rooms to individuals or groups who disregard Library regulations.

Library staff reserves the right to enter a meeting room at any time.

If a question is raised as to the goals and activities of any group using the meeting rooms, the Library Board of Directors shall be the final authority in granting or refusing permission for the use of the rooms.

Fees for audiovisual items lost or damaged during the room rental will be based upon the Library's costs of repair or replacement. Customers are encouraged to make use of staff walkthroughs at the end of each rental session as a way to confirm that all items have been left in place and in working condition.

Reservations and Cancellations

Reservations are accepted for the current calendar year. Reservations for the next calendar year will be accepted beginning in November. Reservations must be made by individuals who are 18 years of age or older.

Reservations are made on a first-come/first served basis by making a reservation online or contacting the desired location. Reservations are considered tentative until both a completed meeting room agreement confirmation of approved reservation and full payment are received. Tentative reservations will be cancelled after ten working days.

All rental fees will be refunded if a reservation is cancelled two or more days prior to the meeting date. Cancellations with less than two days' notice will result in a forfeiture of all rental fees. A refund will be issued if dangerous weather or other conditions necessitate the Library's unscheduled closing.

The Library has the right to preempt any event for Library use. In such rare instances, the Library will make every reasonable effort to assist the group in reserving another date or Library facility or meeting room. All rental fees will be reimbursed if the cancellation or space substitution results in the meeting room not being used.

Responsibilities and Regulations

- All meeting room use must comply with fire codes and will not exceed the facilities' maximum capacity.
- Smoking in any part of the Library is prohibited. Candles and open flames are also prohibited.
- Unless contracted for after-hours use, meeting rooms must be vacated 15 minutes prior to closing time.
- Advanced Learning Library staff will be responsible for set-up and restoration of rooms in that building. Meeting room users should not alter the room set without prior approval of Library staff.
- At branch libraries, employees are not generally available to assist with meeting room set up. Meeting room users assume full responsibility for arranging the meeting room, restoring it to its original condition, and leaving it in good order.
- A \$50.00 fee will be assessed to the individual who signs reserves the meeting room contract if the room is not restored to its original condition.

- The Library does not provide staff to operate any equipment, and staff may not be able to provide instruction on equipment use on the day of the rental. Renters may schedule an appointment with staff several days in advance of the meeting to test equipment.
- All publicity concerning meetings should make it clear that the Library is not the sponsor and must include the statement, "Not an official Wichita Public Library program." Neither the name nor address of the Wichita Public Library may be used as an organization's official address with the exception of Library-affiliated organizations or with the approval of the Director of Libraries.
- Refreshments, except alcoholic beverages, may be served in meeting spaces of all library locations if they are kept inside the meeting room.
 - In branch libraries, the group or individual must provide all serving supplies.
 - For libraries where consumption of alcoholic beverages may be allowed under Section 4.04.045 of the City of Wichita Municipal Code of Ordinances, a valid liquor license from an established business will be required prior to rental date.
- The individual who has signed reserved the meeting room contract is responsible for reasonable care of the room and is liable for damaged or stolen equipment or damage to facilities. The Library is not responsible for the equipment, supplies, materials or other items owned by the group or individuals in the Library.
- All decorations or displays must be freestanding, pinned to bulletin boards in the room, or limited to tabletops. Material may be attached to the meeting room walls only if blue painter's tape is used. Directional signage related to the meeting requires approval by Library staff.
