

# E-books & e-audiobooks

The Wichita Public Library offers e-books and e-audiobooks from **[Libby by OverDrive](#)**. You can visit the Wichita E-Reads website or download the Libby app to browse the collection, check out e-books and e-audiobooks and start reading today.

If you want access to more e-books and e-audiobooks, you can get a State Library of Kansas e-card at any Wichita Public Library location.

# Digital Magazines

Wichita Public Library cardholders can access more than 50 popular magazines on a phone, PC, tablet or other mobile device using **[Flipster](#)**. Download digital copies of new and back issues from a selection of popular titles. Magazines download in an easy-to-read digital format that looks like the print edition.

Users can browse magazines by category as well as perform searches for specific periodicals.
